WHY DO BUSINESS IN AIRPORTS?

Because airports are extremely lucrative. In 2016 airports in North America *alone* were responsible for servicing more than **700 MILLION*** enplaning passengers who spent more than **\$9 BILLION*** on concessions (see breakdown below). Billions of dollars of retail and food and beverage opportunities alone will become available in North American airports over the next five years.

- 2016 Food and Beverage, Top North American Airports: More than **\$5 BILLION**
- 2016 Duty Free and Specialty Retail, Top North American Airports: More than **\$2.5 BILLION**
- 2016 News and Gift, Top North American Airports: More than **\$1.5 BILLION**

Expand your non-traditional reach and capture a slice of the revenue. The ARN 2018 Revenue Conference & Exhibition will feature the right executives who can open up opportunities for you to expand your brand in the lucrative airport market.

WHY ATTEND?

The ARN conference and exhibition has become the leading show for airports and companies to learn about the latest trends, as well as innovative strategies to improve their business and increase revenues. Featured during the conference are presentations by leading experts who share their research and expertise on cutting-edge trends and business strategies in the areas of food and beverage, retail, technology, customer service and much more. Additionally, the exhibit hall showcases the foremost companies and airports in the business. The show attracts high-caliber executives from both airports and concession companies, creating unparalleled networking opportunities. Learn about the latest trends in the industry; network with all the key, hard-to-reach decision-makers; and discover how to grow your business in the dynamic airport industry.

WHY EXHIBIT & SPONSOR?

Showcase your products and services and grow your business in the lucrative world of airports. All of the key decision-makers from airport revenue industry are there because it is the best conference for learning and networking and the most highly attended. A survey conducted by America Business Media and Forrester Research noted that in-person events, such as trade shows, are a highly effective marketing vehicle for any company. You will not find a better marketing channel than the ARN show to reach this very targeted audience and allow them to see, touch and experience your product.
